**FALL
2020**

ATTENTION USC UNDERGRAD STUDENTS:

Speech-Language and Hearing Professions

ENROLL FOR FALL 2020

The **Speech-Language and Hearing Professions Minor** is available for students in various education and health professions who are interested in expanding their understanding of children and adults with communicative disorders. The future is about **Interprofessional Practice (IPP)**. Let's work together in the best interest of our patients/clients/students, regardless of your chosen field of study.

Note: This minor requires 16 units (4 required units and 12 elective units)

FALL	SPRING
OHNS 301 The Practice of Educational Speech-Language Pathology	OHNS 200 Communication Development and Disorders Across the Life Span: Interprofessional Implications for Collaborative Practices [REQUIRED]
OHNS 302 Hearing Science and Technology	OHNS 401 The Practice of Medical Speech-Language Pathology
